Grade Three & Grade Four 2024

Dear parent/guardian,

Cape Clear Primary School is looking forward to another great year of teaching and learning and would like to advise you of *Cape Clear Primary School's* voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide special curriculum experiences, a wider variety of specialist programs, subsidise excursions and upgrade Literacy and Numeracy resources as required. With this in mind, parents are asked to please review the recommended financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

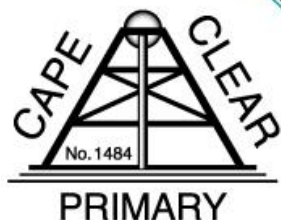

Lynly Doherty

Principal
