Dear Parents/Guardians,

*The School Council consultation process in relation to student fees for the 2021 school year has concluded and a decision has been reached. Cape Clear Primary School will continue to subsidise the cost of Essential Student Learning Items and Optional Items (as outlined in the attached Parent Payment Arrangements 2021). As a school we are committed to continuing to support all families and students.*

*The layout and documentation provided (Policy and Parent Payment Arrangements) is mandatory for all Department of Education Schools in Victoria for 2021. You will clearly see the large contribution our school puts towards these essential and optional items for your child/ren (all other schools pass on the whole cost of these items to parents and families).*

*The subsidised cost per student is \$175.00.*

*Families who are eligible for CSEF (Camps Sports, Excursion Funding) will be required to pay \$50 per student.*

*If you have any further questions or queries please do not hesitate to contact me. I thank you in advance for your understanding.*

Lachlan Day

Principal
