## POLICY

### 1. School profile

Cape Clear Primary School is a small rural primary school located in the town of Cape Clear, approximately 40km south west of Ballarat. We have a current enrolment of 18 students and we expect this will improve with predicted enrolments in the years ahead.

The school is set in spacious, well maintained grounds and also has access to an adjoining oval. The school is in the process of upgrading learning spaces. The school is also well resourced with technology imbedded throughout the school.

Structured programs are provided in all Key Learning Areas including Numeracy, Literacy, Art, Science, Physical Education and LOTE. All curriculum areas are facilitated through the expertise that exists within the school staff. Individual support is provided in Literacy and Numeracy for students in targeted programs supported by both Teacher and Education Support staff.

A small learning community means that students are provided with a high level of individual attention and individual learning needs can be closely monitored and well catered for.

The school is an active and integral part of the Cape Clear community. With one full time and two part-time teachers, the school welcomes the input of the community and assists with community activities where these complement school activities and or benefit the community.

The school relies upon active parent representation on school council. As well as this formal association, the school has a good level of parent cooperation and involvement in working bees, fundraising initiatives, community Christmas celebrations, annual whole school camps and regular sporting endeavours.

Staff, students and parents at the school are close-knit and supportive and this is reflected in the opinion surveys.

### 2. School values, philosophy and vision

The staff at Cape Clear Primary School will empower all students to embrace learning, achieve their personal best and build their emotional, social and physical wellbeing.

Cape Clear Primary School will provide an inclusive and caring learning environment that engages all students and challenges them to grow academically, socially, emotionally, physically and creatively to their full potential. Students will be encouraged to develop a social conscience which enables them to contribute to their family, school and the wider community. Cape Clear Primary School will continue to recognise the importance of the partnership between schools and parents to support student learning, engagement and wellbeing. We will continue to build on the commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children to celebrate their learning.

In order to deliver our core purpose our school will:

- Demonstrate exemplary teaching and learning.
- Encourage and support innovation and reflection.
- Build strong partnerships between school, home and the wider community.
- See each member of our community as an individual.
- Recognise and celebrate effort and achievements
