Cape Clear Primary School

PRINCIPAL'S MESSAGE

Hi Everyone,

Welcome back to a chilly Term 3. The students have done well to get back into their learning routines and we are excited for the term ahead.

In the coming weeks, classroom teachers will be in contact with you to organise parent, teacher, student conferences. I strongly encourage all our families to take up this opportunity with Mrs Murphy and Mrs Glynn to discuss your child's learning. While I know you all often connect with school staff in the carpark and at times via text message on our school mobile, these face to face, uninterrupted opportunities are very important and ensure we maintain a collaborative approach to student learning.

This week, NAPLAN results for our Grade 3 and 5 students went home. We were really pleased with our students' effort and results again this year and I congratulate all students who participated.

In the coming weeks, the 2024 Parent Opinion Survey will be available to complete online. This is an important opportunity for our families to provide feedback. As a collective we know there is always room for growth and improvement and we seek and value your constructive feedback. Please keep an eye out for further information.

This weekend Sophie celebrates her 9th birthday. We hope you have an awesome birthday Sophie and we look forward to hearing about it at assembly on Monday.

A final reminder that swimming starts next week (Wednesday). Please make sure students come with bathers underneath their uniform, a towel, and plastic bag for wet items. We hope to see some of you there.

Have a great weekend,

Lynly Doherty
Principal

TERM 1: 30 January – 28 March

TERM 2: 15 April – 28 June

TERM 3: 15 July – 20 September

TERM 4: 7 October – 20 Dec

Week 1

Term 3 Fundraiser

This year we are once again running the Routleys Bakery fundraiser. From sausage rolls and pies, to donuts and slices, there's sure to be something for everyone! Both families and the wider community are encouraged to continue to support our small school.

Orders are now open! Simply follow the link, place your order and make sure you select Cape Clear Primary School from the drop down box.

Orders will arrive at the school, ready for pick up on Wednesday the 21st of August.

Junior School Council Update

Junior School Council would like to know if families would like to start lunch orders again. We will send home a small survey next week for families to complete and return back to school. Hot chocolates and a cookie will be continuing this term each Tuesday morning.

Thanks

Junior School Council

Keeping Warm in Winter

With the wet weather upon us, it is great to see students coming in with their beanies and extra jackets to keep warm. Students and Staff are encouraged to bring in a pair off slippers or Uggs to wear inside if they wish.

The Smile Squad team from Grampians Health are coming to our region soon. Smile Squad is the Victorian Government free school dental program. This means all students can get a free dental check-up, preventive services, and treatment at school.

To ensure we get this service on our school site—we need to have at least 8 students register for this free checkup.

You can sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

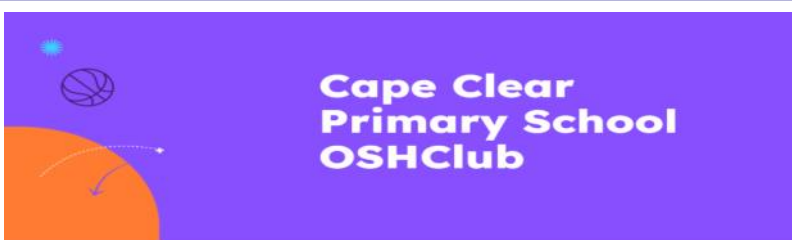

OR use the QR code:

Please complete and submit the consent form by the start of Term 3, 2024

You can also find more information about Smile Squad at: www.smilesquad.vic.gov.au

Kind regards,
Grampians Health
Smile Squad

Thank you to the families who have been engaging with our after school care program. This term Heather and the kids will be following along with the Olympics and participating in their own Olympic events. Archery and hockey are on the list so far. Along with the Olympics, students will continue with some cooking and also continue with a Science STEM focus in anticipation for Science Week.

OSHClub is open 5 days a week from 3pm to 6pm. Please come in or call Heather on 0458437963 to enrol your child.
