PRINCIPAL'S MESSAGE

Hello Families,

I hope this newsletter finds you healthy and somewhere warm! Thank you to everyone who has supported the strong recommendation from the DET with regard to face mask wearing for students aged 8 and above this week. We can all play a part in ensuring the health, safety and wellbeing of everyone in our school community, and this is a simple infection prevention tool that we can easily use in our setting.

Last week we were lucky enough to enjoy 3 jam packed days on Camp at Log Cabin Homestead in Creswick. As we mentioned at our school Assembly last week, staff were super proud of the way every student was able to step out of their comfort zone at times and make the most of the fun and opportunities on offer. Whether it be going on their first school camp, trying new foods, working as a team or climbing a giant pole and taking the leap of faith—we were all so amazed at what each individual student was able to achieve. I would like to say a big thank you to all parents who played a key role in supporting the students in achieving success while on camp. This may have been a phone call, picking up or dropping off your child or simply encouraging them to come along even though they may have been feeling anxious about it. These small steps played a pivotal role in making the camp a success. I would also like to say a huge 'Thank You' to Mrs Murphy, Jeff and Mikayla for taking the time away from their own families to be on camp.

Again we have a lot of engagement programs planned for this Term so please keep an eye out for notes and information. We will continue to keep you informed as always via our newsletters, notes, email and social media. Please don't hesitate to call should you have any question regarding any of the upcoming programs.

As always, have a wonderful weekend.

Junior Room Camp Reflections

Camp

It was Monday morning, we went to camp. We did the flying fox then we did archery, I felt happy. I hit William with an arrow. Soon after, we did the clip and climb and I felt scared. Then the next day I watched people go on the zip line. Next we did the giant swing which looked fun. The next day we did the commando course and the leap of faith. Then we ate lunch and we went home. I had a tremendous time at camp.
