Cape Clear Primary School

PRINCIPAL'S MESSAGE

Hello Everyone,

How good was Book Week this week! It was so great to see the effort all the students and staff went to in dressing up for our special day on Monday. Thanks to all the parents, and grandparents who came along to join in the fun. We also had fun at Sovereign Hill on Wednesday. Thanks to Mrs. Munson for organising a great day.

This Monday will be a student free day as all staff hold their Professional Practice Day. This is a Department allocated professional practice day. School Council have discussed and approved this date in the best interest of providing continuity of learning for our students.

Thanks to Patty and school council for once again holding our Fathers Day stall this year. Students will be able to purchase something from the stall on Tuesday 30th August if they wish to. Prices will range from 50c to \$10.

Recently I have been working through and updating our Emergency Management Plan. This includes ensuring a number of policies and procedures are being followed and we continue to meet the Department Safety requirements. As we did in semester 1, we will soon hold an onsite Fire Drill to ensure all students and staff are prepared in case of an any emergency.

A reminder that the Parent/Caregiver/Guardian Opinion Survey is still open. Your feedback will help inform and direct our future school planning and improvement strategies. The Opinion Survey will remain open until the end of Term 3. Thank you to those families who have already completed the survey.

Next week we celebrate both River and Jack's birthdays. We hope they have a great birthday week.

Have a great weekend,

Lynly Doherty

Principal

- TERM 1:** 28 January – 8 April
TERM 2: 26 April – 24 June
TERM 3: 11 July – 16 September
TERM 4: 3 October – 20 December

Classroom Update

Over the past few weeks the junior students have been working on developing their knowledge in procedural writing. We have learnt a lot about the different types of procedures including; recipes, manuals, directions and instructions. We have been working hard on writing a variety of these procedures and you might even like to give some of these a go at home!

How to Make Fairy Bread

Aim: To be able to make fairy bread.

Ingredients:

- 1 piece of bread
- Sprinkles
- Butter

Steps:

1. Put the butter on the bread
2. Put the sprinkles on the butter

Now you'll have fairy bread.

By Sophie

How to Make an Ice Cream

Ingredients:

- A cone
- Ice cream

3. Tie your balloon
4. Pop your balloon.

Now you'll be covered in glitter!

By River

Reminders for next week

Monday - No school for students on Monday

Tuesday - Father's Day Stall

Wednesday - Bowling

Thursday - Grade 4/5/6 Science Excursion to Rokewood PS (Bus leaving at 9am)

OSHClub Update

Lots of exciting things happening in OSHClub!

In Science Week we conducted lots of experiments including making snow, building towers and making a volcano! We made playdoh and mini pizzas too! We have explored Book Week and played lots of UNO and other board games. In the last few weeks of term we are looking forward to doing more baking, starting with a Red Velvet Cake on Tuesday. We also continue doing different experiments and playing some sport as the weather gets a little less wet and windy.

Our Holiday Program is open from the 19th-30th of September again at Woody Yaloak PS, Smythesdale Campus. We have lots of fun activities, incursions AND excursions planned over the two weeks. Please see the attached flyer for more information.

BOOK WEEK FUN

Cape Clear Primary School was formed on the lands of the Wathawurrung People of the Kulin Nation.

We pay our respects to their elders; past, present and emerging.
