Cape Clear Primary School

PRINCIPAL'S MESSAGE

Hello Everyone,

I hope all our fathers, grandfathers, uncles and special people had a great Father's Day on Sunday. The students were excited to be able to buy something special for the positive male role models in their life.

This week we saw the completion of the concreting in our new outdoor learning space. The students are thrilled with the end result and have already been spending a lot of time enjoying the new space and design. Please make sure you come in and check it out.

Our Grade 5 NAPLAN results are in and as I said at the time of students participating - we are extremely proud of the way each child gave their best effort. I'm sure your families will be just as proud as we are.

Recently, Mrs Murphy, Janet and Myself attended the first two days of the Berry Street Education Model Professional Development Program. These days were highly informative, providing us with clarity around building on current strategies that will further develop strong relationships in an actively supportive environment that meets each individual student needs. Our final day of the PD will be on Friday the 7th of October (this day will be a student free day)

Have a great weekend,

Lynly Doherty
Principal

Classroom Update

In Respectful Relationships we have been learning all about personal strengths. We have discussed that we all have superpowers and what we think our own and each others superpowers are. This week we created our own personal strengths display to help teach others about what these personal strengths can look like both inside and outside of the classroom.

In Maths recently students participated in a short unit called Building Views. This activity explored students understanding of 2D/3D spatial ideas - plan views and spatial/visual reasoning.

OSHClub Update

Week 8 and 9 of Term 3 have been really exciting for OSHClub! We have continued our Baking Club on Mondays, with this fortnight's recipes including a vegan Red Velvet Cake as well as damper. These have been super fun activities and we have loved exploring new recipes while learning all about baking.

Our UNO competition has been heating up with some very strong (but sportsman like) play from all players. Celebrity heads has also been a big hit lately! With the weather becoming a little bit warmer we have been able to spend some more time outdoors, playing on the playground and basketball court.

In Week 9 we have unleashed our creative side, painting and decorating rocks and various other things we have found in the school yard. We have been conducting some more science experiments, with Mia and River learning how to make their very own bath bombs! A reminder about our School Holiday Program coming up from the 19th-30th of September. We have lots of exciting activities planned throughout the two weeks and we hope to see you there!

STATE SCHOOL RELIEF FUND

This week, all Cape Clear Primary School students received light weight jackets as part of the State School Relief Fund. These jackets will be ideal for current conditions where the weather although not cold, at times is still windy and little wet. There is no cost to our families for these jackets.

- OSHClub endeavour to link each fun experience to key learning outcomes

We are a child safe organisation

What Does My Child Bring?

Please bring breakfast, morning tea, lunch, afternoon tea and a refillable drink bottle. If bringing food please make sure it's nutritious and doesn't require heating or cooking. Please be mindful of the planned excursion/incursion and ensure your children are dressed appropriately. Don't forget your sun smart hat, comfortable clothes, closed shoes and a drink bottle.

To avoid loss or disappointment, please leave your valuables, money and electronic toys (including tablets and smartphones) at home.

Healthy Eating

OSHClub follows the Australian dietary guidelines which can be found at <https://www.eatforhealth.gov.au>

Activity Changes

If an excursion or incursion (due to unforeseen circumstances) is cancelled, the activity will either be postponed or an alternative activity of equal value will be provided where possible.

Before making your booking & cancellations

All children must be enrolled with OSHClub prior to booking via oshclub.com.au. Bookings made within 5 days for a Holiday Program session will incur an extra charge of \$4.00 per day per child. 7 days notice from before the session commences is required for cancellation of a Holiday Program booking to avoid a cancellation fee. For all other bookings, cancellations cannot be made online within 5 days of the session commencing. In order to book within this period, you will need to contact the service directly, the Customer Service and Billing team on 1300 395 735 or by emailing booking@oshclub.com.au

Child care subsidy

Our services are registered with Centrelink, so you will be able to claim Child Care Subsidy on your fees. For further information please visit www.education.gov.au/childcare-faq

Children with additional needs

We support all children including children with additional needs. If you would like to provide additional information about your child and his/her needs or require contact us 6 weeks prior to program commencement on 0407 146 831 for staffing purposes.
