Term 4, Week 1
06/10/23

Cape Clear Primary School

PRINCIPAL'S MESSAGE

Hello Everyone,

Welcome back to term 4! We know how quickly and jam packed this term can be so we are excited to see what it brings. Keep an eye on the calendar for upcoming events and please feel free to call and email me if you have any questions.

I reluctantly say congratulations to Collingwood supporters. While not a die-hard footy follower myself, I do like to see the kids join in with current events and our footy colours day on the last day of term 3 was a nice way to finish off.

This term we welcome back Janet from her recent knee surgery and wish Jeff all the best as he takes leave for the remainder of this term. Harley will return again to replace Jeff and support our students with their learning needs.

Happy birthday to Gayle who celebrates her birthday next week. We hope you have a great day.

Looking forward to a ripper term 4.

Lynly Doherty
Principal

-Earth Ed Excursion Gr 4-6

Wednesday 22nd
-Life Ed Van

Friday 24th
-CFA visit

DECEMBER

Thursday 7th
-Christmas Picnic (TBC)

Tuesday 12th
-State wide transition day

2023 TERM DATES

TERM 1: 30 January – 6 April

TERM 2: 24 April – 23 June

TERM 3: 10 July – 15 September

TERM 4: 2 October – 20 December

Foundation—Grade 3

This week in maths, the junior class has been learning all about fractions. Throughout the week we investigated the different ways we could share a piece of fairy bread with our group. The students were very creative when exploring the different ways they could share the fairy bread and we started to notice patterns when sharing our pieces. We of course then had to make real fairy bread and cut it into our favourite fractions.

Learning Updates

Grade 4—Grade 6

The senior class have done a great job settling back into their learning in the classroom very quickly after the holiday break. In the coming weeks in Literacy we'll be focussing on persuasive texts and will take part in mini-debates on a number of interesting topics. The Grade 3-6 group have begun travelling around the world in Geography using 'Passports' to visit and learn about Australia and other countries. In Numeracy we've been practising using grid co-ordinates and doing mapping. We'll also be looking at angles, 3D shapes and the reflection, translation and rotation of shapes. In handwriting, we created Name Art which was a reflection of our name in joined handwriting.

Wellbeing Update

Outside School Hours Care

This term OSH CLUB will be continuing its stem program making robots, water wheels, experimenting with magnets etc. In October get ready for the Halloween party, we will be honing our skills on the oval in sports for fitness programs and continue with the cooking and arts program. In music the children will continue to learn the keyboard and drums. Osh club runs 5 days a week from 3pm to 6pm.

Chaplain's Word

Encouraging Group work

It has been wonderful to welcome back the students after a well earned rest and busy term 3. We have started this term with some cooperative games in Respectful Relationships and on Monday Jaxon and Jett whipped up some delicious brownies for their peers. Well done Cape Clear Kids!
