Cape Clear Primary School

PRINCIPAL'S MESSAGE

Hello Families,

Thank you to those who attended our Remembrance Day ceremony. It was a lovely service and I was extremely proud to see some of our students take on roles. Thank you to The Cape Clear Community Hall committee for connecting and supporting us to commemorate this day in our history.

*"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."*

Thank you to those who have brought in donations for our Christmas hamper. Once it starts to fill up we will send home raffle tickets with the students. All donations are welcome and can be handed in to the front office.

As you all know, attendance is really important and every day counts. Regular attendance ensures students remain connected to their peers, their learning and supports the progression of lessons and knowledge gained each week. Here at school we continue to try and offer a range of experiences that meet student interest and academic needs all while encouraging attendance. We really appreciate the phone calls and/or messages regarding any student absences. It assists us to ensure our data is accurate. A reminder to please call or message the school mobile on 0448453697 if your child/children are going to be absent.

Happy birthday to Lincoln who celebrated his 7th birthday on the weekend. We hope you had a great day.

A reminder that this coming Monday (14th Nov) we have a Curriculum Day and students are not required at school.

Have a great weekend,

Lynly Doherty

Principal

2022 TERM DATES

TERM 1: 28 January – 8 April

TERM 2: 26 April – 24 June

TERM 3: 11 July – 16 September

TERM 4: 3 October – 20 December

Classroom Update

In the senior class students have been reading and creating their own haiku poems with a focus on 'word choice' and descriptive language. Haiku is a type of short form poetry originally from Japan. They consist of three lines, with five syllables in the first line, seven in the second, and five in the third. The students Haiku poems were based on caves.

Mysterious, small
Terrifying, underground
Horriying, damp
By Ruby

Dark, gloomy inside
Horriyingly scary
Underground is cold.
By Kade

Dark, hidden, gloomy
Spooky, damp, unknown, creepy
Scary, underground
By Hunter

Descriptive Language:

As he stepped into the scary cave, a feeling of regret shivered down his spine. Just the thought of it was enough to scare him to death. As the cave water dripped and his voice echoed, he could hear the terrifying bats. **By Ash**

In the Art room

Last week, in Art we explored patterns and lines by creating artworks on a topic of our choosing. Many of the students chose Halloween or Christmas as their theme. We sectioned our paper into five parts and created patterns, words and symbols to represent their topic of choice. We will continuing to work on these artworks and use watercolour paint to add detail.

Out of School Hours Club

What's been happening...

This term is flying by!

Lately in OSHClub we have been exploring lots of new things. We have continued with our clubs for the term (Cooking Club and Art Attack). We tested our engineering minds with an egg drop and got active, spending more time outside thanks to some warmer weather.

In Cooking Club, we have been working on our baking skills and whipping up a storm in the kitchen. In the past few weeks, we have made Hedgehog slice and pizza scrolls. We have been working on our measuring skills in making our recipes and baking skills. We have loved the recipes we have been making and can't wait to make them at home to share with our families!

Meanwhile in Art Attack, we had a great time exploring the art of pottery. We had a great afternoon creating our own pieces using air-dry clay. Our creations included unicorns and a mushroom.

There were lots of amazing creations made by our group including scratch art pieces and paper spiders to celebrate Halloween.

In week 8 for Art Attack we will be making artwork using recycled materials. We are calling out for any donations of recycled materials that we can use to our pieces. This can include cardboard, bottles, lids, etc.

Any donations can be brought to the OSHClub room at the end of the school day.

Cape Clear Primary School—Christmas Hamper

This year School Council are collecting small donations towards a school Christmas hamper. We will be raffling off the hamper at the end of the year with prizes drawn at our end of year Christmas Celebration. Mince pies, Christmas puddings, chocolates, biscuits, crackers, fudge, jams, chutney, small trinkets, tree decorations etc are all suitable items. We really appreciate your support.

**please note—we cannot accept home made food unless clearly labelled with ingredients*

Cape Clear Fundraiser

This year we are partnering with Routley's Bakery to raise funds for our school. When you order through their website (<https://fundraising.routleysbakery.com.au>) 25% of your order total goes directly back to our school. When ordering, at checkout select Cape Clear Primary School. Orders can be made up until Tuesday 6th of Dec. (Delivery will be made to school that week).

Cape Clear Primary School was formed on the lands of the Wathawurrung People of the Kulin Nation.

We pay our respects to their elders; past, present and emerging.
