Cape Clear Primary School

Confidentiality Agreement

At Cape Clear Primary our school culture is built around our values of respect, honesty, excellence, resilience and creativity.

- ❖ We demonstrate respect by displaying an attitude of caring and consideration for ourselves, others and the environment.
- ❖ We demonstrate honesty by being truthful and trustworthy in action and word.
- ❖ We demonstrate excellence by striving to be the best we can.
- ❖ We demonstrate resilience by endeavouring to respond positively to challenges and disappointments.
- ❖ We demonstrate creativity by developing our personal talents to bring new ideas into being.

All members of our school community are encouraged to model these values so that we can create a nurturing and challenging environment that promotes an enthusiasm for learning and prepares individuals to become reflective and valued members of society.

As a volunteer, parent or pre-service teacher, I understand that having the opportunity to work with Pleasant Street students is a privileged position that can be an interesting and at times quite an insightful experience. I understand that the knowledge gleaned during these classroom experiences is private and confidential and not for public discussion.

I agree that this position requires me to be respectful of students and their families. I will demonstrate this by showing care and consideration of student safety and wellbeing, also by never remarking on student progress to others and, more particularly, never making negative comments about any Cape Clear Primary School student or staff member.
